TCS Ninja-DRIVE-2022 UPDATES REPORT

1. On 29/7/2021 all departmental TPOs meeting was arranged on Google meet to discuss about/Plan about TCS-drive training program. Meeting attendees were Titre sir, Juned sir, Bandela sir, Maithili Rao
2. On 30/7/2021, (2:00 PM) online meeting was held to convey gratitude to all mentors and instructors of InfyTQ internship training program for TY-(ECT)-2021 batch. Following are the minutes of the meeting
 - i. Action Plan proposal for TCS drive
 - ii. To find and list out opportunities in core company for ECT students or in MNC companies
3. On 31/7/2021 at 2:00 PM a meeting was held and the attendees were Titre sir, Bandela sir, Yadav Sir, Juned sir, Maithili Rao. Following are minutes of the meeting
 - i. TCS registration to be done by the students whose SSC and HSC is 60% and above .
 - ii. Eligible students will register themselves to Shikuya learning app(pehle hamne eligible students k details central ko dene honge to register ,then students will get the Registration link)
 - iii. Students who placed this year will be given a star of MGM award this month(date not decided)
 - iv. TCS training program will start on 2/8/2021 or 5/8/2021.
 - v. Mentors have to take follow up of their mentees, and a trainer is associated to teach Aptitude by Vinit, innovation unlimited.
 - vi. 20 students from every department should be placed is the mission for this TCS drive, in this regards I have sorted the no.of students from TY who are actually interested to place themselves in TCS. I will share the list with you all.
4. On 6/8/2021 at 9:00 AM a meeting was held with Director madam, attendees were all Dept.HOD, Dept.T.P.O's and mentors.

Agenda of meeting and minutes of the meeting:

- i. To know the teaching qualities of coaching institutes (demonstration/Introduction) that they can serve our students for TCS Ninja-2022 placement.
 - ii. Demonstration given by Face-up by Upendra and Shikuyaa by Chetan kulkarni and team.
 - iii. It was ordered by Resp. Director Madam to list out the students figure interested in TCS drive and submit the report till evening(6/8/2021)
 - iv. Mentors too to register for Shikuyaa and fetch the learning details and mentor their mentees activeness accordingly
5. On 7/8/2021, a meeting was organized with the shikuyaa, attendees were all students, mentors and Director Madam. Shikuyaa team members have taught our students about how they can use their learning app. via online.
 6. On 8/8/2021 a meeting was held at 11:00 AM with Director Madam, all HOD's and TPOs. The meeting was carried by Hexagon team members; they have proposed and are

availing the facility for all the students to upload their CV/Resumes into their software. This software will sort the CV/Resumes according to company requirement and offers the placement opportunities to the students.

7. On 9/8/2021 the first session from Shikuyaa has started.
Day-I report: Few students are interested to participate in shikuyaa, interested students details were sent to Titare sir on the same day.
8. 10/8/2021 second day of learning
Day-II report: I took a meeting (evening 8:30-9:30PM) with our TY students to know about their day 1 experience, they are satisfied and **few have complained that the shikuyaa team has already started the session a week ago, therefore they have missed the class.** I have conveyed this message to HOD madam and all staff on whatsapp group.
9. On 11/8/2021, at 8:00AM I called to Juned sir to confirm whether the Shikuyaa classes have started earlier, he replied as **YES** and students can access the missed lectures via recorded lectures.
10. Some students were facing Coupon code expiry issue I have mailed the students detail to shikuyaa Email-ID i.e **info@shikuyaa.com. And 8446591773 is the helpline no.**

| WEEK-1 PLAN | | | |
|--------------------|---------------|---------------------------------|----------------|
| 9/8/2021-12/8/2021 | 6:00PM-7:00PM | Hands on coding | Dr. Darshan I |
| 13/8/2021 | 3:30-5:30 | Syllogism, True false statement | Rutuja S |
| | 6:00-8:00 | Programming MCQ's | Dr. Geeta Mete |
| 14/8/2021 | 10:00-12:00 | Relative Speed | Anil Patil |
| | 3:30-5:30 | Reading Comprehension | Shefali S |
| | 6:00-8:00 | Prog.concepts MCQ's | Dr. Geeta Mete |

11. On 14/8/2021 meeting with HOD madam, Mentors (MRB, VSJ, DJT), Titare sir was arranged by me to take the review of mentees using Shikuyaa learning application. Minutes of the meeting and feedback from mentors are
 - i) Students finding problem to join the shikuyaa app due to expiry coupon.
 - ii) Teaching aptitude, coding, course material were basic which couldn't help them to prepare for TCS Ninja exam
 - iii) Practice sets, Mock test solutions are not available in the app.
12. As per the above common problem from every department a meeting on 17/8/2021 was held in Director madams cabin, and the attendees from dept were MRB, MVM, in the meeting the issues were conveyed to shikuyaa team member and asked to meet with all problems. They have asked 2 days of times to fix the problem.
13. On 25/8/2021 a meeting was arranged with Face-Prep team members (another learning platform) to prepare for TCS-Ninja-2022. The agenda of meeting was to know the demonstration of the course content from them.
14. On 26/8/2021 Face-Prep classes started to prepare for TCS- Ninja-2022. It was continued from 25/8/2021-5/9/2021.

15. **On 29/8/2021** I took meeting with the registered aspirants to know the status of preparing for TCS-Ninja exam at 9:00 PM
16. **On 30/8/2021** a meeting was arranged with mentors and TPO. Banwaskar madam was in the meeting and she asked their mentees for poor attendance in Face-prep and maintained a record of the same.
17. **On 7/9/2021** a meeting was held by Face-prep team members with all dept. TY to BY going students regarding how to prepare for TCS exam in a week before the exam date. All points were discussed and enlighten the students on how could be the exam pattern, timings etc
18. **On 9/9/2021** a meeting with HOD madam with all mentors was held at 10:30 AM to convey and motivate the students for the coming TCS exam from **12/9/2021-18/9/2021**.

Following problems were faced by mentees during TCS exam

1. TCS exam can be given in any of the two options i) Remotely ii) In center. Students who opt in remotely have faced IBM launcher problem and this occurs due to device configuration or Internet connectivity
 2. Students are coming out of the exam page and unable to reaper for the exam
 3. Unable to submit the exam, I suggested them to check the internet connectivity but still they fail to submit.
19. I) Total students eligible for exam from class was 46/74
 II) Students overall successful attempt in TCS Ninja2022 exam: 55%
20. All mentors MRB, DJT, VSJ have submitted their mentee report about successful attempt in exam.

➤ **Report from M.R.Banwaskar madam:**

1. No of students eligible:16
2. No. of students received Hall Ticket:
3. No. of students done test successfully:. 03
4. No. of student faced problems and could not appear for the test:. 05
5. Name of students with DT number.
6. One students has exam on 18th sept.
7. Some students are not responding.

➤ **Report from D.J.Tuptewar sir:**

- 1.No of students eligible:18
2. No. of students received Hall Ticket:
3. No. of students done test successfully:. 08
4. No. of student faced problems and could not appear for the test:. 03
5. Name of students with DT number.
6. Some students are not responding.

NOTE: Every detail in the report is prepared by the undersigned honestly.

Thu, Oct

Dear Sir/Madam,

Greetings from FACE Prep !!

Thankyou for being associated with us and for all the support provided to us.

We are always working towards making things better, we'd like you to hear from you about the training program conducted in your college . We request you to fill the feedback Click here which take less than 2 minutes of your time but your feedback is invaluable to us.

Thanks and Regards.

Preethi G

Dear sir,

Greetings of the day..!!

We confirm the aforementioned proposal and look forward to a fruitful outcome for mutual benefit.

Just to mention two things,

1. If the trainer's feedback is to be taken by students, in case , if not good, it needs to be replaced based on students' demand.
2. If required, timing of live class may be adjusted.

Will the list of students shortly. Let us initiate the learning and start training by Thursday. (26th August).

Regards,

Team T and P.

Dear Sir,

1.Face is a well-known player in the training industry and we do not have any complaints against our trainers or instructors. However, in the event that an issue arises, we will act to resolve it so that we don't receive any other complaints. Our trainers are highly experienced and are subject experts. We will choose the best of them for the training.

2. Kindly confirm the timings by today so we can plan the schedule and ask a trainer to follow meanwhile I am going ahead with the same timing discussed 09:00 am to 04:00 pm.

Thanks and Regards

TCS Ninja -2022: 11-Day Preparation Plan

Date: 25th August 2021

Dear Mentors,

TCS-Ninja-2022 exam is scheduled on 12th September 2021 onwards and students have been preparing for the same on Shikuyaa App since 8th August 2021. It has been observed that many problems are faced by students and reported to us. We communicated the same to Shikuyaa Team. They promised us to resolve all the issues. However, time remaining is very short, therefore, based on students' request and to reinforce the learning of the students; it has been decided to provide additional training to increase students' performance in TCS Ninja-2022. Therefore, we are collaborating with Face Academy to conduct TCS Ninja-2022 LastMile training program. It provides customized self paced learning platform and daily 6-Hour online classes from 9.00am to 12.00 Noon & 1.00pm to 4.00pm) from 26th August to 5th September 2021 for 11 days (6Hours/day X 11 days=66-Hours). An online meeting to introduce the platform to all the mentors is scheduled today at 5.00pm (25th August). All the mentors please make sure that the students are well-informed about this new platform and they have got proper access to the course on time.

Duties and Responsibility of Mentors:Key players in making process fruitful.

- Reach out to all the allotted mentees to get registered to specified course.
- Make sure that all the students are attending the training program regularly and seriously.
- Do the phone call to the students if they are absent or not doing well.
- Review the progress of students and submit report of the same to dept T and P coordinator on daily basis and update on TCS Ninja-2022 WhatsApp Group.
- Maintain record of attendance, assignments/problems solved and completed.
- As this activity is a part of curriculum, we need to evaluate the performance of the students in coming semester and marks for the same to be entered in next winter vacation-2021
- Remain in tight communication, on daily basis, hourly basis, with mentees and T and P Coordinator to keep entire process live and functioning with great enthusiasm.
- Cooperate and coordinate in every aspect to the trainer and students for making teaching learning process fruitful.
- Ideally, being engineering postgraduate and having adequate teaching experience, mentor should help students solve their aptitude and coding problems if they face problem.
- Ensure students have recharged **work from home** data package.
- **Your efforts would be appreciated and specially rewarded if you aim at getting at least 10 offers in TCS-Ninja-2022 out of 20-24 students allotted by your HOD.**

Wish you a happy mentoring and make this process of contributing in life-changing opportunity of your mentees **a remarkable one.**

TCS Ninja -2022: 11-Day Preparation Plan

NOTICE

Date: 25th August 2021

Dear students,

TCS-Ninja-2022 exam is scheduled on 12th September 2021 onwards and you have been preparing for TCS-Ninja-2022 on Shikuyaa App since 8th August 2021. It has been observed that many problems are faced by students and reported to us. We communicated the same to Shikuyaa Team. They promised us to resolve all the issues. However, time remaining is very short, therefore, based on your request and to reinforce your learning, it has been decided to provide additional training to increase the performance in TCS Ninja-2022. Therefore, we are collaborating with Face Academy to conduct TCS Ninja-2022 LastMile training program. It provides customized self paced learning platform and daily 6-Hour online classes from 9.00am to 12.00 Noon & 1.00pm to 4.00pm) from **26th August to 5th September 2021** for 11 days (6Hours/day X 11 days=66-Hours).

As most of you have already attended programming training in your second year and also attended InfyTQ-2022 and Aptitude training in the month of March this year, preparing TCS Ninja-2022 in 11 days would not be challenging for you.

It is also decided that the participating in and learning of this course will be mandatory and considered as a part of internship as per DBATU university curriculum. If you are **NOT REPORTING TIMELY to the Mentor** or **REMAIN ABSENT** or **REMAIN IRREGULAR** or **NOT PERFORMING WELL** during 11-day training, your performance will be evaluated by your mentor and based on performance in the training; grades for the same will be given by your mentor.

Wish you happy learning and preparation of TCS Ninja-2022.

Dear sir,
Greetings from Shikuyaa..

Here I am sharing the invoice as per our discussion for the count of 325 students with a rate of Rs. 400 per student. It's been a week since we have given access to the course to all the students.

We hereby kindly request you to process the bill as soon as possible.

Thanks in advance.

Thanks & Regards,

Mr.Devatta C Peshkar.

Dear Sir,

Greetings from Shikuyaa!

We have given the coupon code access to 325 students of MGM,Nanded on 7th Aug 2021 over an email confirmation.

We have also completed all the formalities of student onboarding process as well.

With your recommendation and instruction we have also started the course of MGM, Mumbai campus for 539 students on 9th Aug 2021.

We are also sharing the periodic student registration,engagement and mock tests reports from our side.

The payment invoices for both have been also raised from our end.

Kindly request you to consider the delay and process the invoices ASAP.

MGM CEN Training & Placement officer <tpo@mgmccen.ac.in>

Respected Shiv Sir,

Greetings from FACE - Focus Academy for Career Enhancement, An IIM Graduates' Enterprise and **Asia's Largest Skill Development Organization !!**

It was indeed a pleasure connecting with you sir !!

We are Asia's largest Talent Supply Chain Enterprise offering customized skill development and hiring solutions for educational institutions and enterprises. We were started in the year Dec 2008 at Coimbatore and evolved to become Asia's largest Skill Development Organisation with a global presence in talent management and education consulting.

In the last 12 years since our inception, we pride ourselves in making a positive impact on a little more than 3 million students and 10K+ professionals from across **1500+ institutions** and **A. IIT Madras, VIT University, SRM University, and PSG College of Technology** are a few of the notable institutions we work with.

As discussed with you we are glad to share our **proposal** to train your students for the **Wipro NLTH program**. I have attached the detailed concept note for your reference. Please go through the same and suggest a suitable time to discuss this regard to take it forward. Kindly check the attachment Consist of Wipro proposal.

Thanks & Regards

G.S. Lathkar

Mon, Sep 20, 2021 at 12:44 PM

Dear Sir,

As per our discussion as there are only 4 days left in hand this is the proposed curriculum for Wipro for 4 days:-

11 Hrs for Aptitude, Logical & Verbal
1 Hr for Write X
12 hrs of Automata Coding (Amcat)

Prices Quote= INR 7100 Inc Taxes per Day per Batch
Training Days = 4 Days
Total Price = INR 28400
Start Date= 22-09-21
Batch size= 150 students

Kindly confirm at the earliest to proceed further

Thanks & Regards

Cc: Director MGMCCN <director@mgmccn.ac.in>, Deepak G <deepak@focusacademy.in>, Karthik Raja R <karthikraja@focusacademy.in>, Mr Juned J Khan <juned_jk@mgmccn.ac.in>

Dear sir,

As discussed, let us go ahead with proposal. Its better if we increase writeX module. Students count may go upto 200. We confirm the same.

Regards,

Team T and P

Activity Report

Name of activity: Course completion on Infosys Springboard Platform

Class: SY, TY and Final Year (All Branches)

Number of students: 1559

Name of courses and certification:

1. Introduction Python Fundamental
2. Python Programmer Certification
3. React JS Certification
4. Associate IT Foundation Skills
5. Embedded Systems and OOPS
6. Business English
7. Autocad 2-D
8. Autocad 3D
9. Catia V-5

We are associated with Infosys Springboard platform, a flagship project of Infosys launched under Social Corporate Responsibility (CSR). There are a large number of FREE courses designed as per the need of industry. Many of these courses are learnt and implemented at Infosys work place and now they are made available for students to learn digital, soft, life, and behavioral skills, catering to the holistic development of learners.

As per DBATU curriculum, students have to do Internship at the end of semester and therefore, as a part of this Internship, we have made our students enroll, learn and earn the certificate for various courses. These are self-paced courses so that students can learn by your own under the supervision of faculty mentors. We made it mandatory for all the students to do these courses. These courses provide invaluable insights and real-world expertise. the learning program is particularly well-suited to grow vocational skills in addition to soft skills. Masterclasses, programming challenges, practice areas, and playgrounds for experimentation make the training immersive for all. It uses Information and Communication Technology (ICT) for work, leisure, learning and communication in order to acquire the digital competence.

NOTICE

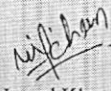

Date: 12th March 2022

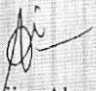

We are happy to mention here that we are getting associated with Infosys Springboard platform, a flagship project of Infosys launched under Social Corporate Responsibility (CSR). There are a large number of **FREE** courses designed as per the need of industry. Many of these courses are learnt and implemented at Infosys work place and now they are made available for students to learn and implement.

Therefore, as a part of this initiative and also as a part of Internship of this semester as per DBATU curriculum, all TY (CSE) students are hereby informed that they should enroll, learn and earn the certificate for following courses and produce it to your mentor before **31st March 2022**. These are self-paced courses so that you can learn by your own sitting in the allocated lab from **15th March 2022**. It is mandatory for all the students to do these courses. The students not completing these courses before due date would be failed in internship and they have to reappear for the same only after completing the courses in the next vacation.

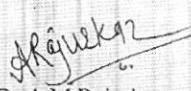

There will be facilitator and mentor allotted who would help you out during your studies. Your log-in IDs are already created and will be shared with you soon by concerned coordinator. An online orientation session for the same by Infosys Official would be conducted on **14th March 2022 at 2.00pm**.

| Class | Name of the Course | Name of Facilitator | Name of Mentor |
|-------------|--|------------------------|----------------|
| TYCSE(CSE1) | i) Python Programmer Certification & | BSK, MA, RGB, MNB & JK | BSK, CMR, JK |
| TYCSE(CSE2) | ii) Associate in IT Foundation Skills (Python) | | JSK, MA, SSW |

NOTICE

Date: 12th March 2022

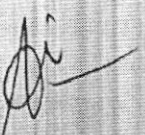

We are happy to mention here that we are getting associated with Infosys Springboard platform, a flagship project of Infosys launched under Social Corporate Responsibility (CSR). There are a large number of **FREE** courses designed as per the need of industry. Many of these courses are learnt and implemented at Infosys work place and now they are made available for students to learn and implement.

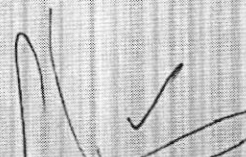

Therefore, as a part of this initiative and also as a part of Internship of this semester as per DBATU curriculum, all TY (CSE) students are hereby informed that they should enroll, learn and earn the certificate for following courses and produce it to your mentor before **31st March 2022**. These are self-paced courses so that you can learn by your own sitting in the allocated lab from **15th March 2022**. It is mandatory for all the students to do these courses. The students not completing these courses before due date would be failed in internship and they have to reappear for the same only after completing the courses in the next vacation.

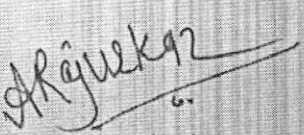

There will be facilitator and mentor allotted who would help you out during your studies. Your log-in IDs are already created and will be shared with you soon by concerned coordinator. An online orientation session for the same by Infosys Official would be conducted on **14th March 2022 at 2.00pm**.

| Class | Name of the Course | Name of Facilitator | Name of Mentor |
|-------------|--|------------------------|----------------|
| TYCSE(CSE1) | i) Python Programmer Certification & | BSK, MA, RGB, MNB & JK | BSK, CMR, JK |
| TYCSE(CSE2) | ii) Associate in IT Foundation Skills (Python) | | JSK, MA, SSW |

Build Web Applications : UI Associate Developer - ReactJS

ReactJS is one of the popular library for web development. With the rapid growth of the number of web sites and need for lightweight high performing frameworks, ReactJS has become a popular one at the marketplace. This learning path will enable you to develop light weight web applications using the ReactJS.

Three generic languages understood by all web browsers are HTML, CSS and

InfyTQ-2023 Preparation Plan and Execution (Academic Year 2021-22)

Conduction Report of Class: TYCSE-A

| Day | Date | Timing and (duration) | Instructor | Subject | No. of students present(Approx.) | Topics covered (in brief) |
|--------|-----------------------------|-----------------------|------------|-------------|----------------------------------|--|
| Day 1 | Friday, January 07, 2022 | 01 to 04:00 | JK | DBMS-1 | 65/70 | Introduction to DBMS, ER-Diagram |
| Day 2 | Saturday, January 08, 2022 | 01 to 04:00 | BSK | OOPS | 66/70 | OOPS Introduction, OOPS Basics |
| Day 3 | Sunday, January 09, 2022 | 1 to 04:00 | BSK | OOPS | 64/70 | Abstraction and Encapsulation , Assignment-1,Pass by Referenece, Collection of Objects |
| Day 4 | Monday, January 10, 2022 | 1 to 04:00 | BSK | OOPS | 67/70 | Static, Assignment set 2,Class Relationship, Assignment Set 3, Inheritance, |
| Day 5 | Tuesday, January 11, 2022 | 1 to 04:00 | BSK | OOPS | 69/70 | Assignment set 4, Abstract, Exception Handling, |
| Day 6 | Wednesday, January 12, 2022 | 1 to 04:00 | BSK | OOPS | 65/70 | Assignmnet Set 5, common Mistake |
| Day 7 | Thursday, January 13, 2022 | 1 to 04:00 | BSK | OOPS | 66/70 | Practice Problem, Practice Quize |
| Day 8 | Friday, January 14, 2022 | 1 to 04:00 | JK | DBMS-1 | 64/70 | Introduction to DBMS, ER-Diagram, Basics of DBMS |
| Day 9 | Saturday, January 15, 2022 | 1 to 04:00 | JK | DBMS-1 | 69/70 | Normalization, SQL Basic |
| Day 10 | Wednesday, January 19, 2022 | 1 to 04:00 | JK | DBMS-1 | 60/70 | Revision , SQL basic, DDL Statement |
| Day 11 | Thursday, January 20, 2022 | 1 to 04:00 | JK | DBMS-1 | 65/70 | DML, DDL part 1 and 2 |
| Day 12 | Friday, January 21, 2022 | 1 to 04:00 | JK | DBMS-1 | 63/70 | Functions, Case Statement, sorting data, Group by, combinig data |
| Day 13 | Saturday, January 22, 2022 | 1 to 04:00 | JK | DBMS-1 | 60/70 | Cartesian Product, inner Join, All types of Join, Modular Query Writing |
| Day 14 | Sunday, January 23, 2022 | 1 to 04:00 | JK | DBMS-1 | 58/70 | Normalization, Functional Dependency |
| Day 15 | Monday, January 24, 2022 | 1 to 04:00 | JK | DBMS-2 | 65/70 | Subquery, Independent query, Correlated query |
| Day 16 | Tuesday, January 25, 2022 | 1 to 04:00 | JK | DBMS-2 | 69/70 | Transaction, ACID properties, OLTP, performance |
| Day 17 | Wednesday, January 26, 2022 | 1 to 04:00 | JK | DBMS-2 | 65/70 | Performance, Indexes, intro to NoSQL |
| Day 18 | Thursday, January 27, 2022 | 1 to 04:00 | JK | DBMS-2 | 65/70 | NoSQL DB, Tyoes, MongoDB, CURD Operations |
| Day 19 | Friday, January 28, 2022 | 1 to 04:00 | JK | DBMS-2 | 62/70 | DBMS Part 1nad 2 Completed, revision, Problem solving |
| Day 20 | Saturday, January 29, 2022 | 1 to 04:00 | BSK | DS - Python | | Introduction and List,Push |
| Day 21 | Sunday, January 30, 2022 | 1 to 04:00 | BSK | DS - Python | | List-Part 2 |
| Day 22 | Monday, January 31, 2022 | 1 to 04:00 | BSK | DS - Python | | List and Assignments |

| Day | Date | Timing and (duration) | Instructor | Subject | No. of students present(Approx.) | Topics covered (in brief) |

Activity Report

Date : 14/0/2021

INFYTQ 2021-22 Python -1

Training start Date : 18/09/2021

Training End Date : 30/09/2021

Time : 10:30 – 5:30

Speaker : Mr.Mohseen Ahmed

Class : T.Y.Mech No. Of students 79

Duration days : days

Mentors : Dr.J.S.Sidhu and Mr.P.M.Pahinkar , Dr. M.G.Harkare

Course objective: To learn python basics.

To have hands on practices on python programming.

This programme was cover under the INFYTQ from TCS in which our college faculties have taken the charge of training for the T.Y.Mech students to clear the basic understanding of python programming and have handed on training on python programming.

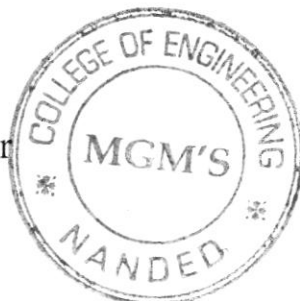

Outcome of Training:

1. Students have understand the basic of python Programming.
2. They are able to do python programming.

Spring board Infosys

Course :Business English

Training start Date : 02/03/2022

Training End Date : 30/03/2022

Time : 10;30 – 5:30

Speaker : Self

Class : S.Y.Mech No. Of students 42

Duration days : 2 weeks

Mentor:Bandela.C.V

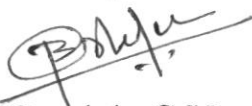

Course objective: To learn basics of Business English

To have good communication among the students.

This programme was cover under the Infosys Springboard Platform in which S.Y.Mech students have undergone the Infosys platform register them on the Infosys platform under the course **Business English** and have done the programme by attending all videos and assignment given to them on on-line mode and after completing the exam they have received the certificates

Outcome of Training:

1. Students have understand the basic of **Business English**
2. They are able to do communicate among them.

| C & C++ Training (20th to 1st Oct 2021) | | | |
| Conduction Report: TY Civil | | | |
| Day | Date | time | Topics covered (in brief) |
| Day 1 | 20-Sep-21 | 12:00 pm - 5:30 pm | Introduction to program and Computer Languages Sample C program Variables and Data-types printf() and scanf() functions Assignment operator Arithmetic operators if statement Relational operators if-else statement Nested if Logical operators switch-case statement while statement |
| Day 2 | 21-Sep-21 | 12:00 pm - 5:30 pm | Forms of while for loop nested for loop Arrays (numerical) Arrays (character) Multi-dimensional Arrays pointers * Programs on all above concepts |
| Day 3 | 23-Sep-21 | 12:00 pm - 5:30 pm | Pointers Functions Structures Leftovers * Programs on all above concepts |
| Day 4 | 24-Sep-21 | 12:00 pm - 5:30 pm | Structure revision Classes & Objects Access modifier * Programs on all above concepts |
| Day 5 | 25-Sep-21 | 12:00 pm - 5:30 pm | Constructor & Destructor Overloaded Constructor Inheritance Function Overriding Constructors in Inheritance Multiple Inheritance Constructors in Multiple Inheritance * Programs on all above concepts |

| | | | |
|--------|-----------|-----------------------|--|
| Day 6 | 27-Sep-21 | 12:00 pm - 5:30 pm | Polymorphism Virtual Functions Dynamic Memory Allocation Binding Static member data Static member functions Friend functions Friend classes * Programs on all above concepts |
| Day 7 | 28-Sep-21 | 12:00 pm - 5:30 pm | Operator Overloading Overloading unary operator Overloading binary operator Overloading Relational and other operators Overloaded Assignment Operator and Copy Constructor File Handling I/O streams Reading and Writing in files * Programs on all above concepts |
| Day 8 | 29-Sep-21 | 12:00 pm - 5:30 pm | File Opening & Closing File Opening Mode Bits Text Format v/s Binary Format Random Access to Files * Programs on all above concepts |
| Day 9 | 30-Sep-21 | 12:00 pm - 5:30 pm | Templates Function Templates Class Templates Namespaces Nested Namespaces Exception Handling Try-Catch block Invoking function that generates exception Multiple Catch blocks * Programs on all above concepts |
| Day 10 | 1-Oct-21 | 12:00 pm - 5:30 pm | Catching all Exceptions Manipulators Manipulators without arguments Manipulators with arguments The 'this' pointer Nested classes * Programs on all above concepts |

satpal singh Gill is presenting

```
#include<stdio.h>
main()
{
  int num,s;
  num = 7;

  s = num * num;

  printf("\nSquare = %d",s);
}
```

WAP that will initialise a variable and will print its square

```
#include<stdio.h>
main()
{
  int num,s;
  printf("\nEnter a number ");
  scanf("%d",&num);

  s = num * num;

  printf("\nSquare = %d",s);
}
```

WAP that will accept a number from the user and will print its square

scanf("%d", &num);

type of data to be accepted from the user

name of variable where the accepted data is to be stored (preceded with & (address operator) symbol)

INFYTQ-2023_INTERNSHIP COURSE PHASE –I (Python)

CLASS: TY (Mech)-(2021-2022) SEMESTER: FIFTH

An internship course on InfyTQ-2023 was proposed to TY Mech students on 16/9/2021 by central TPO and with the permission from Director Madam the course was started on 18/9/2021- from 10:30AM to 5:30PM for next 15 days. Following are the details regarding the ongoing conduction of courses.

MGM's College of Engineering, Nanded
 Training and Placement Cell
NOTICE

Date: 18th September 2021

All Third Year students are hereby informed that an online InfyTQ Programming Fundamentals using Python - Part 1&2) course will be conducted from 18th Sept. 5th Oct 2021 from 10:30am to 5:30pm on Microsoft Teams as per the tentative schedule given below.

It is also decided that the participating in and attending of this course will mandatory and will be considered as a part of internship as per university curriculum and you will be evaluated based on performance in the course and accordingly grade for the work will be send to university by your mentor in the coming situation. The students who REMAIN ABSENT or REMAIN IRREGULAR or NOT PERFORMING WELL during this training and your mentors will assign the marks in proportionate to attendance and progress in this course.

INFYTQ-2023: Preparation Plan

Date: 17th September 2021

Duties and Responsibility of Mentors: Key players in making process fruitful.

As per the discussions in meetings, we will be organizing 14 day online InfyTQ 2023 training as a part of internship as per the plan attached herewith. Keeping in mind, the aim of getting maximum students short listed in qualifying test and in order to ensure their fullest participation and preparation in these proposed training programs, all mentors are instructed to encourage/mentor the students and do the following:

- Encourage students to attend the course regularly and participate actively.
- Make sure that all the students are attending the training program regularly and seriously.
- Do the phone call to the students if they are absent or not doing well.
- Review the progress of students and submit report of the same to dept. T and P coordinator on daily basis and update on respective WhatsApp Group.
- Maintain record of attendance, assignments/programs completed.
- As this activity is a part of curriculum, we need to evaluate the performance of the students in coming semester and marks for the same to be entered in next winter vacation 2021.
- Remain in tight communication on daily basis, hourly basis with members and instructor to keep entire process live and functioning with great enthusiasm.
- Cooperate and coordinate in every aspect to the job of instructor with students for making successful the course of InfyTQ.
- Regularly being engineering professionals and having adequate teaching experience, mentors should help students solve their assignment if they face problems. If it is not possible at least inform immediately to instructor if your students are not able to solve tough assignment.
- Ensure students have downloaded work from home data package.

A Report on 2-Days Workshop on “IoT using Arduino”

Department of Computer Science & Engineering and Computer Society of India Student's Branch organized the 2-days workshop on “IoT using Arduino” on 28th and 29th of April 2022.

Welcome of Resource Person Dr. M. R. Sanghavi by Mr. R. G. Bisen

The workshop was started with the warm welcome of resource persons - Dr. Mahesh R. Sanghavi (Vice-Principal, SNJB College of Engineering, Nashik), Mrs. Kainjan M. Sanghavi Head, Department of CSE, SNJB College of Engineering, Nashik), Mr. Rajiv R. Bhandari (Associate Professor, Dept. of CSE, SNJB College of Engineering, Nashik) and Dr. Khyati R. Nirmal (Associate Professor, Dept. of CSE, SNJB College of Engineering, Nashik) by Mr. Rahulsingh G. Bisen, CSI Co-ordinator & Asst. Prof, Dept. of CSE. CSI Council members of B.Tech CSE, Pratik Sanjaykumar Sonwane (President), Pratiksha Nandkumar Suryawanshi (Secretary), Soham Sujit Kanchalwar (Treasurer), Nilesh Prakash Walve (Technical Head) and Rutuja Kacharudas Damkondwar (CSI Magazine Head 1) were the volunteers and the organizers of the event.

A total of 50 students from TYCSE and SYCSE participated in the workshop. Participants were divided into two batches, and the batches were further divided into groups of five students in each. The purpose of this workshop was to provide students with a hands-on experience of the new technology "Internet of Things".

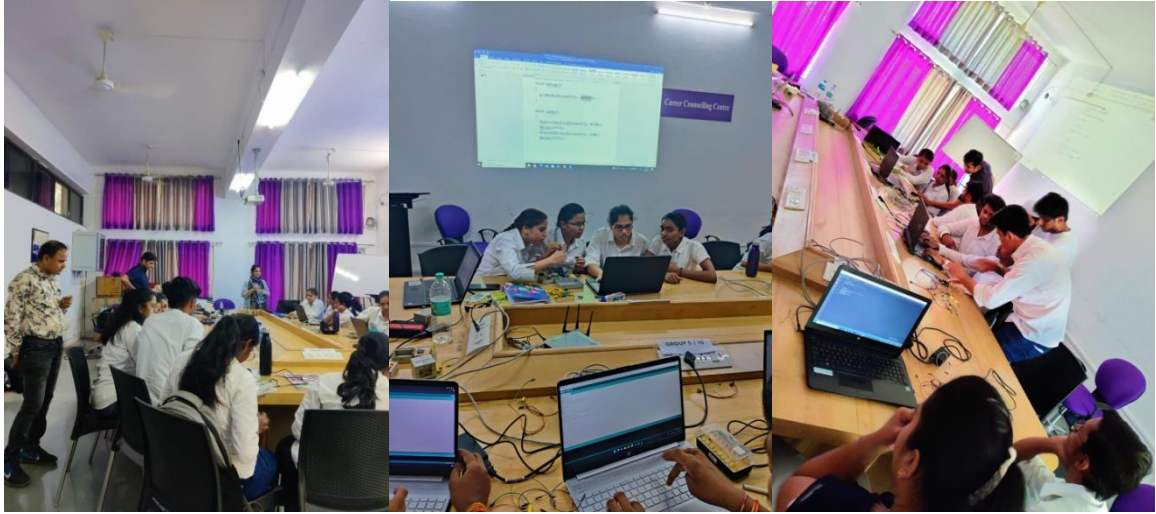

The first day began with the introduction of IoT. This session covered the history, strengths, weaknesses, and applications of IoT. Then the basics of the Arduino were covered, after which the session continued with hands-on training using various sensors. Participants learned how to integrate various sensors using Embedded C with an Arduino kit and also implemented the first project.

The second day began with an introduction to cloud computing, where the participants were introduced to a variety of cloud service applications and Raspberry Pi. Participants learned the basics of WLAN modules and the connectivity of data and the cloud. During both the sessions, participating students also implemented several IoT projects.

The event was organized by the CSI Students Council under the guidance of respected Director, Dr. **Geeta S. Lathkar**, Student's Branch Counsellor & Head of the Computer Science and Engineering Department, **Dr. Archana M. Rajurkar** and CSI Co-ordinator, **Mr. Rahulsingh G. Bisen**. The event received a good response and active participation from many students.

2-Days Workshop on “Network Programming using Python”

Department of Computer Science & Engineering and Computer Society of India Student’s Branch had organized the 2-days workshop on “Network Programming using Python” on 23rd and 24th May 2022.

The workshop began with a warm welcome of resource person Mr. Malhar Lathkar (Author, Programming Technologies Trainer, Freelance E-Learning Content Developer, IT and Software Consultant) by Dr. Archana Rajurkar, Student’s Branch Counsellor & Head of the Computer Science and Engineering Department. Dr. M. Y. Joshi, Assistant Professor, Dept. of CSE was the organizer of this workshop. CSI Council members of B. Tech CSE, Pratik Sanjaykumar Sonwane (President), Pratiksha Nandkumar Suryawanshi (Secretary), Soham Sujit Kanchalwar (Treasurer), Nilesh Prakash Walve (Technical Head) and Rutuja Kacharudas Damkondwar (CSI Magazine Head 1) were the volunteers.

After the inauguration, Dr. Archana Rajurkar and Dr. M. Y. Joshi gave a speech on the importance, need, and future benefits of Network Programming & Python language. All students from TYCSE and TY E&TC participated in the workshop. The purpose of this workshop was to provide students with hands-on experience in "Network Programming using Python".

The first day commenced with the installation and setup of python. Then fundamentals of python programming along with Network Programming concepts like socket fundamentals, multithreading etc. was covered. The second day began with hands-on implementation of network programming concepts using the Python programming language like HTTP Protocol methods, request module etc.. All students learned new things and gave good feedback about the session and our resource person.

The event was organized by the CSI Students Council under the guidance of respected Director, **Dr. Geeta S. Lathkar**, Student’s Branch Counsellor & Head of the Computer Science and Engineering Department, **Dr. Archana Rajurkar** and CSI Co-ordinator **Mr. Rahulsingh G. Bisen**. The event received a good response and active participation from many students.
