## Green campus Initiatives

Various programs carried out under Green campus Initiatives every year as mentioned below.

### 1. Tree Plantation Programme

#### **INTRODUCTION:**

#### **“MY EARTH – MY DUTY”**

Tree planting is the process in which tree seedlings are transplanted generally for forestry, land reclamation, or landscaping purposes. Tree plantation is very necessary because trees provide oxygen to the environment and make the air quality better. If more trees are planted, then the world's environment will become a safer place to live in. Tree plantation also reduces pollution, thus making the life of future generations secure. Through this tree plantation essay, one will have a clear overview of this topic.

## **OBJECTIVE:**

- The primary goal of the event was to contribute to environmental conservation by planting a variety of saplings.
- Additionally, the organizers aimed to instill a sense of responsibility and eco consciousness among the college community.
- Total No. of Participants: 50 students.

**Plantation of a tree by Respected Director Dr.Geeta S.Lathka Madam**

**Plantation of a tree by Dr.S.L.Kotgire sir Vice Principal, MGM COE Nanded**

**Fig: 7.1.2.6: Plantation of a Tree by Dr.G.K.Hambarde**

## **2. Campus Cleaning**

### **INTRODUCTION:**

Amidst the rising sun and a sense of collective purpose, MGM's College of Engineering in Nanded embarked on a significant initiative, hosting a Campus Cleaning Drive every year. The Techlife Club, an embodiment of student enthusiasm and environmental consciousness, orchestrated this event, transforming the campus into a vibrant hub of cleanliness and unity. Aligned with the Swachh Bharat Abhiyan, the drive saw the active involvement of all faculty members, alongside the dedicated coordination of Tech life Prof. A.A. Bhore and Prof. R.G. Bais, the Main Event Coordinators, and the esteemed leadership of Dr. S.L. Kotgire, Vice Principal, and Dr. Mrs. G.S. Lathkar, Director.

This report chronicles the unfolding of this impactful event, reflecting not only the physical cleanup of the college premises but also the embodiment of shared responsibility, educational enlightenment, and the dynamic participation of Techlife Club students. As the college community united in this noble endeavor, the Campus Cleaning Drive became a testament to the institution's commitment to fostering a sustainable, clean, and clean, and harmonious academic environment.

## **OBJECTIVE:**

- **Campus Cleanliness:** Enhance the overall cleanliness and hygiene of the college campus, creating a conducive and pleasant environment for learning and communal activities.
- **Environmental Awareness:** Promote awareness about environmental sustainability and waste management, encouraging participants to adopt eco-friendly practices in their daily lives.
- **Community Engagement:** Foster a sense of shared responsibility and unity among faculty members, administrators, and Techlife Club students, strengthening the collective commitment to maintaining a clean and sustainable campus.
